

# Portable Oil Change System: Bucket Pump

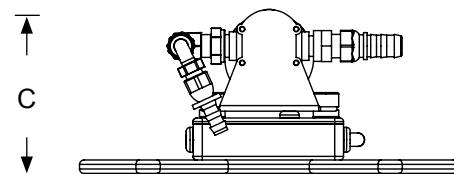

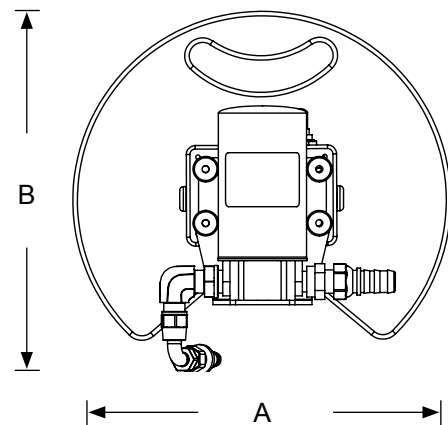

The Bucket Pump is equipped with a reversible gear pump and switch to swiftly drain used oil and refill with new oil. Base is designed to conveniently sit on top of a 5 gallon bucket. The light duty model is the GP-311BKT. The medium duty GP-312BKT is recommended for frequent usage and heavier oil.

## Basic Features

- Gear pump
- Reversing switch
- Base with handle and fits on lid of 5 gallon bucket
- 6 ft power cord with red and black battery clips
- 2 ft and 4 ft hose

Reversing Switch  
GP-311BKT
